To Tongtong Zhao,

It is my pleasure to offer you a summer research position for summer 2022 at Brown University. If you choose to accept this offer, the dates of employment will be June 1, 2022 to July 29, 2022. The expected work is 30 hours per week over this 8.5 week period, and your stipend will be \$4,500.

The project for this position is focused on improving optimization for risk prediction models. As part of your research duties, you will be expected to keep a research journal and meet weekly with the research group to discuss ideas. Additionally, you will be expected to submit a final report on your project and give a presentation to the data science community.

I look forward to working with you over the summer!

Sincerely,

A handwritten signature in black ink that reads "Alice Paul".
